**Easy
one man
operation**

CLIPBAND MACHINE WITH AUTOMATIC DATE PRINTER

This simple and smart machine is widely used in smaller family bakeries and intended for packing bakery products like bread, sliced bread, rolls, croissants, etc. and other food or non-food products. The machine is a semi-automatic device that closes the bags with a plastic clip having 2 wire cors with a date printed on it. Integrated unit of TK-18 machine is a hot printer which applies a date according to sample: XX.YY.ZZ

Durable wire clip can be opened and closed many times providing aesthetic and firm bag closing.

All parts getting in contact with food are made of acid-resistant steel 1H18N9T and food-grade materials.

TECHNICAL DATA

Length x width x height: 74 x 60 x 101 [cm]

Weight: 36 kg
