

**FAST
CLEANING**

Cleaner for baking trays

CBP-1

ONE-MAN OPERATION

The background of the entire page is a red-tinted photograph of industrial machinery, likely a conveyor belt system. Overlaid on this are numerous white hexagonal shapes of various sizes. Some are solid white, while others are outlined. Some hexagons are connected by thin white lines, creating a network-like pattern. The overall aesthetic is modern and industrial.

**shorten your
working
time**

**effective
cleaning
of trays**

* Standard maximum size of trays up to 60 x 80 cm, it is possible to provide support for larger ones, even up to 60 x 100 cm.

One-man operation

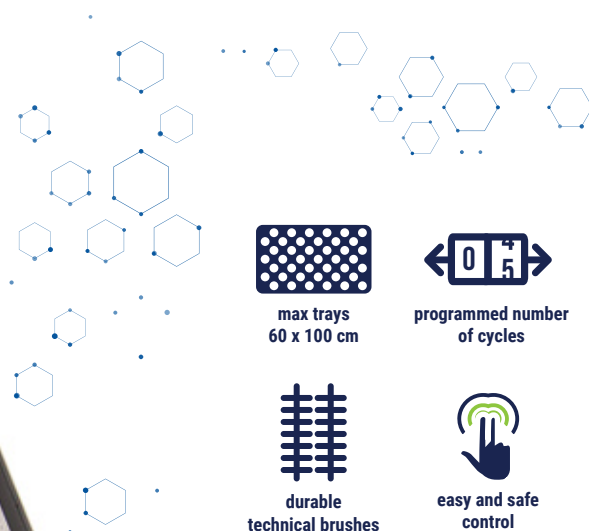

- Shorten the working time of your staff
- Reduce the number of operators to one person
- Keep your trays hygienic
- Clean even 4-rim baking trays of different size, optionally up to 60 x 100 cm

The versatility of the device is also reflected by the fact that it is possible to use even 4-rim trays with a single rim height of up to 24 mm. Impurities accumulate underneath the cleaner on a retractable easy-empty shelf.

The front and rear guides are removable which provides a minimum amount of space required to store the machine, if it is not used for a longer period.

AISI 304
stainless steel

**even for
4-rim
trays**

KEY FUNCTIONS

SPECIFIC PARAMETERS

TECHNICAL DATA

Dimensions: 2234 x 630 x 1372[mm]

Power demand: 0,75 kW

Power supply: 400 Volt / 3 / 50 Hz

Control voltage: 24 Volt

Weight: 205kg

Max tray size: up to 600 x 800 x 24H [mm]

**Optional preparation for trays up to 600 x 1000 mm*

Leader in the industry

MECH-MASZ Szczeciński
Sp. z o.o. Sp. k. established in
1986 is an industry leader of
Polish manufacturers of bakery
and confectionery machines.

For 33 years, services tailored to customer needs and perfect quality of products have been the main features making the MECH-MASZ brand stand out.
