### User-friendly control panel

\* Standard maximum size of trays up to 60 x 80 cm, it is possible to provide support for larger ones, even up to 60 x 100 cm.

# One-man operation

- Shorten the working time of your staff
- Reduce the number of operators to one person
- Keep your trays hygienic
- Clean even 4-rim baking trays of different size, optionally up to 60 x 100 cm

The versatility of the device is also reflected by the fact that it is possible to use even 4-rim trays with a single rim height of up to 25 mm. Impurities accumulate underneath the cleaner on a retractable easy-empty shelf.

The front and rear guides are removable which provides a minimum amount of space required to store the machine, if it is not used for a longer period.
